In addition to these restrictions, there is no parking on the even numbered side of all other streets, except those restricted to one-side parking by regulation. There is no parking on both sides of all streets in the first fire District, which encompasses but is not limited to the downtown section of the city.

Vehicles found in violation of the regulation will be subject to the applicable fine for each offense and may, at the discretion of the police chief, or his designee, be removed at the owner's expense.

If an emergency snow removal or weather related parking ban is declared at any time by the Mayor or the Commissioner of the Department of Public Works, the snow or weather emergency parking regulation, no parking on any street, will be in effect throughout the duration of the Emergency Ban.

For more information about the winter parking ban, contact the Traffic Commission at (508) 580 - 7807.
